

Springville Residents

New Quick Charge EV Station

As Part of Our Ongoing
Commitment to Residents,

We are Proud to Announce

The Village of Springville has
Recently Installed a new

Electric Vehicle Charging Station

The EV charging station is in the Municipal Parking lot near the S. Buffalo St entrance and is compatible with all plug-in hybrid and fully electric vehicles. Due to the limited number of chargers, the EV parking spots are for electric vehicles only. If your vehicle is not charging, you may be ticketed or towed.

The Village of Springville has partnered with Blink Charging for the installation of the EV chargers. Blink offers guest charging or member charging. A Blink membership is free and entitles you to reduced charging rates. We encourage you to learn more about Blink, the costs associated with the charging stations, and to become a member at www.BlinkCharging.com or (888) 998.2546

Download the Blink mobile app
and enjoy discounted rates today!

Charge with a Blink Card

A Blink RFID card simplifies access to thousands of Blink charging stations across North America.

How to Request a Blink Card

- 1 Download the Blink Charging Mobile App on the App Store or Google Play.

Scan Here to Download

- 2 Create a new Blink Charging account or log into your existing one.
- 3 Navigate to the account section on the bottom menu, select "Blink Card", and then tap "Request Blink Card." Input your mailing address, then tap the "Send Blink Card To This Address" button.
- 4 Your card will arrive in about 7 to 10 business days.

How to Activate a Blink Card

- 1 Sign into your Blink Charging account.
- 2 In the bottom menu, select "Account" then navigate to "Blink Card" and choose "Add New Blink Card."
- 3 Input the card number found on the back of your Blink card, and you have the option to assign a card name.
- 4 Finalize the process by clicking the "Add New Blink Card" button.

To initiate the charging process, place your Blink Card on the RFID reader of the charger and follow the on-screen instructions. For those using a paid charging station, ensure that you have securely linked a valid credit card to your Blink account before starting the charging session.

Note: Your Blink Card is directly connected to your Blink Member Account. If your Blink card is lost or stolen, please report it promptly to Blink at support@blinkcharging.com. You can also remove a Blink Card from your account using the Blink app at Account > Blink Card > Edit Blink Card > Remove Blink Card.
