

Local Law 5 of 2026

BE IT ENACTED BY THE Springville Village BOARD AS FOLLOWS:

AMENDMENT TO BE Village of Springville ZONING LAW TO ADD:

SHORT-TERM RENTAL ORDINANCE REGULATING SHORT-TERM RENTALS IN THE Village of Springville

1. PURPOSE AND INTENT: AUTHORITY

The Village of Springville Board has determined that short-term rentals can have potential to disrupt peace in residential neighborhoods and pose a potential threat to public health, safety and well-being within the Village. The Village Board also recognizes that short-term rentals can attract visitors to the Village and can also provide an additional source of income to residential owners in the community. Accordingly, the Village Board determines a need to provide an Ordinance and supplementary rules and regulations to protect against adverse effects of such uses, while permitting short-term rentals under appropriate circumstances. This Ordinance is adopted pursuant to provisions New York Municipal Home Rule Law 10 of New York Real Property Law 447-B, New York Village Law Article 7 and in furtherance of municipal powers exercised to protect and maintain public health, safety, and wellbeing in the Village of Springville.

Objectives of Local Law:

- Ensure that traditional residential neighborhoods are not turned into commercial tourist areas to the detriment of long-time residents.
- Ensure that regulation of short-term rentals does not negatively affect property values.
- Ensure that minimal impact will occur on the supply of affordable long-term stock within the Village.
- Minimize risks to public safety and adverse impacts such as noise, disruptive behavior, trash, and parking problems often associated with short-term rentals without creating additional work for Village staff and emergency response and law enforcement officials.
