LOCAL LAW NO. 8 OF 2026

A LOCAL LAW AMENDING CHAPTER 200 OF THE CODE OF THE VILLAGE OF SPRINGVILLE REGARDING GREENHOUSES, NURSERIES, ACCESSORY USES, AND TEMPORARY GREENHOUSES

BE IT ENACTED by the Board of Trustees of the Village of Springville, County of Erie, State of New York, as follows:

Section 1. Legislative Intent.

The Board of Trustees finds that the Village Code should be amended to clarify the distinction between commercial greenhouse and nursery operations and accessory residential greenhouse structures, to provide a definition for Temporary Greenhouses, and to establish standards for permitting certain Temporary Greenhouses in order to protect public health, safety, and welfare while allowing reasonable accessory uses of residential property.

Section 2. Amendment of Use Classification Table.

The Use Classification Table contained in Chapter 200 of the Village Code is hereby amended as follows:

A. The use currently identified as “Greenhouse, Nursery” shall be amended to read:

“Commercial Greenhouse, Nursery”

B. A new use classification entitled:

“Greenhouse – Private or Temporary”

is hereby added to the Use Classification Table and shall be listed as a Permitted Use in all zoning districts in which accessory uses are permitted, subject to all applicable requirements of Chapter 200.

Section 3. Amendment of Definition of Accessory Use, Building or Structure.

Section 200-2B, the definition, under the “Accessory Use, Building or Structure,” is hereby amended by replacing the word “may” with the phrase:

“includes but is not limited to”

wherever such word appears in the definition.

Section 4. Addition of Definition for Temporary Greenhouse.

Section 200-2, Definitions, is hereby amended by adding the following definition:

Temporary Greenhouse

For the purpose of the Village Code, a "Temporary Greenhouse" shall be defined by Article 18, Section 372, of the New York State Uniform Fire Prevention and Building Code.

A Temporary Greenhouse shall comply with all accessory use lot area, yard, and setback requirements established by this Chapter.

A Temporary Greenhouse having a floor area greater than three hundred (300) square feet OR more than ten (10) feet in height, OR which utilizes an electric or gas heating source, shall require the submission and approval of a permit application. Such application shall include, at a minimum, the proposed materials, dimensions, and location of the Temporary Greenhouse on the property.

Section 5. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this Local Law shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part thereof directly involved in the controversy in which such judgment shall have been rendered.

Section 6. Repealer.

All local laws, ordinances, resolutions, rules, regulations, and parts thereof in conflict with this Local Law are hereby repealed to the extent of such conflict.

Section 7. Effective Date.

This Local Law shall take effect immediately upon filing with the Secretary of State of the State of New York in accordance with the Municipal Home Rule Law.
